Re: Case 25-T-0243 - Petition of Long Island Lighting Company d/b/a LIPA for an Amendment to the Certificate of Environmental Compatibility and Public Need, Issued in Case 26333, for the Commercial Avenue Equipment Project

Dear Secretary Phillips:

PSEG Long Island LLC, on behalf of and as agent for the Long Island Power Authority d/b/a LIPA f/k/a the Long Island Lighting Company, encloses for filing one (1) electronic copy of its Environmental Management and Construction Plan (“EM&CP”) for the above-referenced project.

The EM&CP will be filed in two phases. This Phase I of the EM&CP includes the installation of two sets of three single phase air-core reactors and minor modifications to two existing HPPF electric transmission lines between the existing LIPA Stewart Ave and Newbridge Road substations. Phase II will be filed at a later date and will include details on the new equipment to be installed on LIPA owned property in the Town of Hempstead, which includes two sets of three, single phase air-core reactors that will serve to regulate Lines 138-463 and 138-462.

Contemporaneously with this filing, PSEG Long Island has served either a hard or electronic copy of this EM&CP Phase I, as noted on the attached Distribution and Service List. An Affidavit of Service evidencing this service is also attached hereto. Phase II of the EM&CP will be served upon the same distribution and service list, with an affidavit of service to be filed with the Commission.

PSEG Long Island has established a website to provide additional information to the public about the Project: <https://www.CommericalAveEquipment.com>. An electronic version of the EM&CP will be available for public inspection on this website. The EM&CP may also be viewed online at the website maintained by the New York State Department of Public Service at [www.dps.ny.gov](http://www.dps.ny.gov). From the homepage, click on “Commission File” then “File Search,” and enter the case number, 25-T-0243, in the “Search by Case Number” field.

If you have any questions regarding this filing, please contact the undersigned (kara.krueger@psegliny.com) or PSEG Long Island’s outside counsel, Angela Cascione (acascione@cullenllp.com). Thank you for your time and attention to this matter.
