Re: Case 25-T-0243 - Petition of Long Island Lighting Company d/b/a LIPA for an Amendment to the Certificate of Environmental Compatibility and Public Need, Issued in Case 26333, for the Commercial Avenue Equipment Project

Dear Secretary Phillips:

On May 12, 2026, PSEG Long Island LLC ("PSEG LI"), on behalf of and as agent for the Long Island Power Authority d/b/a LIPA f/k/a the Long Island Lighting Company ("LIPA"), filed Phase I of its Environmental Management and Construction Plan ("EM&CP") for the Commercial Ave Equipment Project ("Project") in the above-referenced matter.

Following discussions with DPS Staff, PSEG LI submits this filing to update certain Appendices of the Phase I EM&CP to address feedback from DPS Staff and the Department of Environmental Conservation. Specifically, PSEG LI has updated Appendix A (Drawing No. F118087), Appendix G (Dewatering Plan), Appendix N (Soil, Sediment and Stone Handling Plan), and Appendix B (SWPPP). The remaining sections of the EM&CP and Appendices remain unchanged.

Contemporaneously with filing this update, PSEG Long Island will serve either a hard or electronic copy of this filing on the Distribution and Service Lists and will post this update on the project website <https://www.CommericalAveEquipment.com>. An Affidavit of Service evidencing this service will be filed with the Commission.

If you have any questions regarding this filing, please contact the undersigned (kara.krueger@psegliny.com) or PSEG Long Island's outside counsel, Angela Cascione (acascione@cullenllp.com). Thank you for your time and attention to this matter.

Respectfully submitted,

/s/ Kara Krueger
